How to Link your Tour to Craig's List

- Choose type **product/service/person** to advertise on.
- Choose a **location** area (i.e. Washington) to post in.
- Go to Craigslist and choose the **City** you want to post in.
- Click "**Post**" to post to the classifieds.
- Choose a **Category** to post in i.e.: **jobs, gigs, housing, for sale/wanted etc.**
- Choose a **Final specification** (for example, in Services Offered, you can choose from: automotive services, computer services, creative services, event services, financial services, household services, labor & moving, legal services, lessons & tutoring, real estate services, skilled trade services, small biz ads etc.)
- Choose a **Neighborhood** at this point (in SF and NY), and choose the appropriate area to post in.
- **Fill out** the Ad posting screen.
- Select "**Posting Title**" is the first Field that you type in. This Field is the one that will be seen most often and is used to get people to click on your ad. Make sure that you have a catchy title. < BR> "**Specific Location**" is the location that you are posting from. Many active people that post use this field for phone numbers and websites. Be sure to include <http://vt.realbiz360.com/Listing-xxxx.html> this is a live link of your tour.
- Select "**Posting Description**" this is where you describe your product/service/etc. to the buyer/customer. The body is what will cause the customer to call you, email you or click to your website. In regards to # of "**Photos**" You can add up to (4) photos. Click on (1) of the (4) and browse from your computer.
- Select "**Email Address**" – This is your email address you would like a client to respond to or you can choose to make your Email address to be an anonymous CL email, or no email. The choice is yours. Also you have the choice to give permission for people to spam you – you'll usually want to say **no**. Continue to the code page. Here is where you must enter a 5 letter code in order to post the ad to your email. Accept the Terms of use. You are now done posting the ad. < BR>you will receive an email asking you to confirm that you have requested the ad. Click the link, and it will take you to a page asking you to edit or publish your ad. Choose to publish, unless you want to make changes. Click on the link to see how your ad will appear to your customers.
